

Witnesses

(15 July 2024)

The Father Almighty told Me “Angie. Good foreign creative people and good foreign famous people **do not** know how process of a court case at court of law is. So, pimp king Bhumibol and the satanic Chakri dynasty have **tricked** the good foreign creative people and the good foreign famous people by ordering Me to send their thoughts to **lie to** them “People who knew the truths and want to help Angie to save the world, are not killed, but beloved people of the people who knew the truths and want to help Angie to save the world, are killed instead because the people who knew the truths and want to help Angie to save the world, and are still alive, will be My witnesses at every court of law. ... So, you have to follow their orders to stay alive””

If you believe **the lie** earlier, **I would like you to carefully consider the truths I am telling you;**

The Father Almighty or another name is Allah told Me ...

... “Angie, **at the start**, pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people planned **the plans not to be convicted** of the felonies and the crimes they all have committed with all evil foreign people altogether. ...

... So, if We bring good creative people and good famous people to be Our witnesses at every court of law, they have creative people and famous people **who are their henchmen and are ready to lie to** judges and juries at every court of law **to alibi and to blacken** Queen Elizabeth, King Charles, Will, Harry, The British Monarchy, British people, and many innocent foreign people too. ...

... Angie, I mean that **at the start, they completely planned their plans to fight against Us at every court of law in the end.** ...

... Angie, as You told everyone: “Their victims are **not only** British people in the UK and American people in the US **but also** citizens in the countries where **do not** respect The Father Almighty or Allah, citizens in the countries where most of people are **illiteracy**, and citizens in the countries where most of people are **wicked.** ...

... Angie, We know **how tricky and excellent in deception they are.** Did you hear some **equivocated** songs such as “Trustfall” and “Please Don’t Leave Me” sung by P!nk, and “September Morn” sung by Neil Diamond? ...

... And Angie, as a student who graduated from faculty of law, You know that judges at every court of law **must** judge defendants **without** any biases. ...

... So that, because You are Allah's Messenger of The Current Millennium, Will is Your Soulmate and Your Backup, they all have offended Backups of Allah's Messenger, Muslims and Christians are brothers and sisters, and they all have offended tremendous people who are not Muslims and Christians but they respect Me, so I advised You all to proceed Our court cases against them at Muslim Courts by Sha-re-ah Law which a principle is "An eye for an eye. A tooth for a tooth" ...

... And Angie, only You and Me as Witness at every court of law are enough. Let pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people bring creative people and famous people to be their witnesses at every court of law. This way will help everyone to know who creative people else and who famous people else are their henchmen!"

If you still believe "I will be a witness of The God at every court of law", another truth I would like you to think over is that We will proceed Our court cases against pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people **after** Prince William and I will have been at The Holy Home. And **after Prince William and I will have been at The Holy Home, all good foreign people and all foreign people who can reform themselves in the new better world, but were passed on by orders of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people, will be come back to lives** too. So, if you want to help Us by being Our witness at every court of law, but you are passed on before Prince William and I will be at The Holy Home, **you will be come back to life to be able to be Our witness after Prince William and I will have been at The Holy Home, and two of the felonies which you can sue them are "Offenses Against Life and Body" and "Offenses of Murdering the other person by premeditation"!**

If you believe **the lie** "You should see "Bearing of fruits in this life" or another word is "Karmas in this life" before you will pass on", **why do you think you will not be able to see "Bearing of fruits in this life" or another word is "Karmas in this life" after Prince William and I will have been at The Holy Home and you will have been come back to life? ... Could you figure out if you are tormented and/or are passed away by their orders, which offense else you can be A Plaintiff? And Who Else will be your Best Witness at every court of law?**

Last, The Father Almighty told Me many times "Angie, although there are good foreign creative people and good famous people who want to help You, they still have not helped You because **each foreign person is fooled by each of their lies!"**

.....
