

## ***You yourself choose!***

***(20 April 2025)***

My feelings work slowly. So, I just felt so disappointed and so sad at around the midday of 20 April 2025 because Prince William had not called Me on 19 April 2025 when was My 49<sup>th</sup> Birthday.

Before I started crying, I had really doubted “If I laid to everyone “I did oral sex with Tu” as all Thai people wish Me to lie to, would the situation be better? I spend My Life as The Teachings of Buddha but why I have been in severe torments since I was only 14 years old and the severe torments still have not been stopped even though around 35 years passed? But why other people who spend their lives oppose The Teachings of The Prophets have had comfortable lives and everything for them seems to be smooth? Why people who are tricky and excellent in deception seem to have happy lives? Why people who laid the lies have better lives? But why people who are ethical or are nice have faced hard lives? Or I wrongly chose the way to spend My Life?”

I doubted for many hours by the questions “If I laid to everyone “I did oral sex with Tu” as all Thai people wish Me to lie to, would the situation be better?” And “Why people who laid the lies have better lives?”. While I was doubting, my memory reminded Me of how Palestine has been, and I cried.

Later on, after I had had lunch, I doubted “If I started to lie to, what would happen?”

After that, I thought of My Life after death ... And thought ***“Nobody is alive forever!”***.

Next, I thought ***“There is The Father. If there is The Father, there is Heaven. And if there is Heaven, there are Purgatory, Hell, and Fire!”***

Then, I thought “One of the reasons why I am fearless is that I ***hardly*** do any sins. So, My Soul really knows that where I will be after I die.”

After a while, I figured out ...

... “My Life and the lives of pimp king Bhumibol, prostitute queen Sirikit, pimp king mha Vajiralongkorn, prostitute princess Bajrakitiyabha, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers ***still have not been in the end. How do I know what “karmas” or “My tree” will bring? I sow and grow up a rose; how can I reap a tulip? ☺☺ They sow and grow up a white chrysanthemum; how can they reap a rose? ☺☺***”

After that, I asked Myself “Or The Father let pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and their co-workers use His Voice to lie to their targets, let them order Him to send their thoughts to one another and other people, and let them order Him to do as their minds because ***This is His Hint? The Father wants to hint everyone “If I am Real, there is Heaven. And if there is Heaven, there are Hell and Fire. So, if you choose to work the plan, it means that you yourself chose to go straight on to Hell and Fire!”***”

And then, I heard “Did you see The Kid knew?”

Before I wrote this topic, many times at which I had also heard “Christians who work the plan know “Angie is The Daughter of The Father Almighty. Prince William is The Son of The Father Almighty. And They are True Soulmate created by The Father Almighty!” and Muslims who work the plan know “Angie is The Daughter of Allah!””

By the way, I told you “Nothing The Father cannot do” but after I had carefully consider, I found that 3 things which The Father ***cannot*** do are;

- 1) The Father ***cannot*** send a person who is ethical to Hell and Fire.
- 2) The Father ***cannot*** send a person who is wicked to Heaven.

And

3) Ones’ deeds are the deeds of his own himself. If he thinks, speaks, and/or does sins or mortal sins, The Father ***cannot*** change the deeds to be merits. But if he thinks, speaks and/or makes merits, The Father ***cannot*** change the deeds to be sins or mortal sins. ...

... Only foreign people who are redeemed their sins and/or mortal sins by Me will be redeemed. Have you ever heard “Angie and Prince William came to “change” the story”? So, did you understand why The Father will turn back the time to 1987 to let everyone ***“begin again”***? 😊😊

Last, everything which happens to you depends on your deeds which are your thoughts, your words, and your actions. The Father gives everyone “Free Will”. So, you ***yourself*** choose!
