STATE-OF-THE-ART-LOUDSPEAKER TECHNOLOGY

## UNMATCHED FIDELITY

The DALI KORE reproduces music that is as close to the original recording as possible. With virtually no distortion or colouration, nothing is added, and nothing is subtracted.

From the quietest breath to the largest orchestral climax, it recreates every musical nuance with endless dynamic response and true fidelity.

A close-up, vertical view of a DALI KORE speaker. The speaker is dark with gold-colored accents around the drivers. The top part shows a tweeter with the text 'EVO-K HYBRID TWEETER' and 'DALI KORE' above it. Below that is a midrange driver with 'DALI KORE' above it. The bottom part shows a large woofer with 'BALANCED DRIVE SMC' above it. The DALI logo is in the top right corner. The background is dark with a wood-grain texture on the left side.
