* In line with the Zoom Rooms app specifications for video conferencing (HD, 720p)

All-in-One Video Conferencing Solution

Video conferencing setup doesn't need to be stressful. This all-in-one solution features a built-in Windows PC, camera, microphone, speaker and a digital whiteboard. Experience clear video and sound qualities in your meetings.

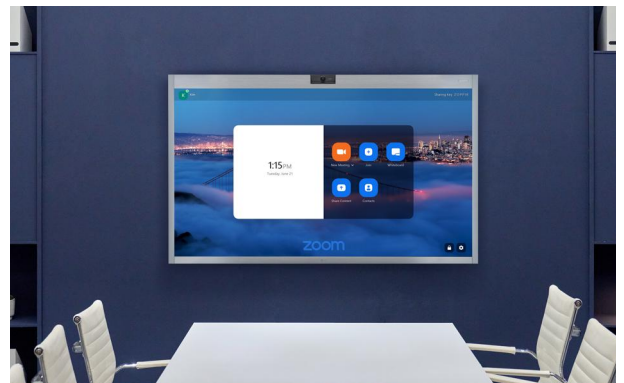

Next-Level Video Conferencing, Optimized for Zoom

Users can utilize a range of virtual meeting features, thanks to innovative all-in-one features optimized for Zoom Rooms. With high-quality video and audio performance, synergy is at your fingertips.

* Actual screen could be different with the image.

Auto Framing

Build the optimal hybrid work environment, with LG One:Quick Works. The Auto Framing function automatically recognizes and focuses on conference room attendees, allowing remote participants to communicate more effectively.

* Product performance may differ depending on the environment.

Multi-Touch and Annotation

Powered by In-Cell Touch technology, One:Quick Works facilitates a more intuitive form of visual collaboration. With 10-point multi-touch functionality, the Zoom Whiteboard tool lets users take notes and sketch out ideas, all the while presenting or brainstorming together.

* Touch pen provided (1 ea.)

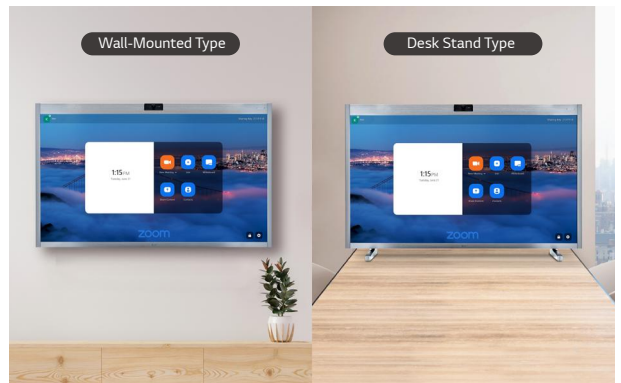

2-way Installation

The installation method can be adjusted depending on the surrounding environment and the user's specific needs. Able to choose between wall installation for maximum space utilization or desk installation using 2 pole stands.

* Stands are sold separately.

Awarded the red dot Award 2021 for its Sleek Design

With an impressive award-winning design, the One:Quick Works blends seamlessly with the rest of the workspace. Also brings an elevated aesthetic while providing a practical workspace for all participant.
