

M7

Handheld Smart Inkjet Printer

- 4.3 inch colour screen
- Thermal inkjet
- Cortex-A9 quad core CPU
- 600dpi high-resolution printing
- Wi-Fi for software update only
- Removable battery
- HP Inkjet Technology 

Main Advantages

Intelligent

- Embedded Intelligent operation system.
- Supports Wi-Fi connection for remote control and online updates.
- Supports USB flash disk database and external real-time variable database printing.

Efficient

- 360° omnibearing printing with both of handheld & online.
- Support online editing directly, without computer connection.

Portable

- Light-weight and portable.
- Battery is removable, ultra-long standby time.

Worry Free

- Simple operation, non-maintenance.
- One year free warranty and lifetime maintenance.

Low Cost, High Performance

- HP original imported inkjet engine, low cost and high quality printing performance.
- HP original imported ink, suitable for all kinds of materials and industries.

Industrial Design

- Resistive touch screen, anti-interference and durable.
- Leading industrial design, more ergonomic.

The parameters of the printer are subject to change, if there is fluctuation, according to the actual object please. Copyright owned by MEENJET.

Specifications

Print Head	Thermal inkjet 2.5
Operating System	Linux
CPU	Quad core 1.4GHz
Interface	USB, photocell
Language	English, Chinese, Turkish, Arabic, Korean, Spanish, Italian Portuguese, Russian
Print Distance	Best quality with 2-5mm
Print Resolution	600dpi maximum
Print Height	1-12.7mm
Ink Type	Water-based/42m1, Solvent /42m1
Ink Color	Black, White, Red, Blue, Yellow, Green, Invisible, UV
Print Content	English, Chinese, numbers, symbols, QR code, barcode, pictures, dates, counter, variable data
Print Media	Boards, carton, stone, pipe, cable, metal, plastic, electronic, automotive parts
Battery	2600mAh @ DC14.8V
Adapter	AC input 100-240V; DC output 16.8V/2A Material of Printer ABS+PC
Dimension	220 x 114 x 130mm (HWD)
Weight	GW 0.82KG
Operational Environment	Temperature 0-45°C (The best 20-30°C) Humidity 40%-60% Rh
