

## Underground Metal Detector

| SPECIFICATIONS                                | AR924M                          | AR944M                        |
|---|---------------------------------|-------------------------------|
| Detection Indication                          | LCD Display / Alarm Buzzer      | LED Indication / Alarm Buzzer |
| Max Detection Depth                           | 1.5m (50cm*50cm*1.2cm coin)     |                               |
| Operating Mode                                | Ground Balance / Identification |                               |
| Signal Frequency                              | 7.0kHz                          |                               |
| Object Detectable                             | Ferrous / Non-ferrous metals    |                               |
| Battery Indication                            | √                               | √                             |
| Backlight Display                             | √                               | ---                           |
| Searchlight                                   | √                               | √                             |
| Earphone Jack                                 | √                               | √                             |
| Metal Identification                          | √                               | ---                           |
| Rated Power                                   | 0.5W                            | ≤1.0W                         |
| Operation Temperature                         | 0°C ~ 50°C                      | 0°C ~ 50°C                    |
| Storage Temperature                           | -20°C ~ 60°C                    | -20°C ~ 60°C                  |
| GENERAL CHARACTERISTICS & PACKING INFORMATION |                                 |                               |
| Power   | 1200mA Li-battery               | 1200mA Li-battery             |
| Product Net Weight                            | 2380g                           | 2380g                         |
| Product Size                                  | 30 x 30 x 123.5cm               | 30 x 30 x 123.5cm             |
| Packing                                       | Inner Box                       | Inner Box                     |
| Standard Quantity / Carton                    | 6                               | 6                             |
| Standard Carton Size                          | 66.5 x 50 x 40cm                | 66.5 x 50 x 40cm              |
| Standard Carton Gross Weight                  | 15.42kg                         | 13.8kg                        |

## Hand-held Metal Detector

| SPECIFICATIONS                                | AR934+                               | AR954            |
|---|--------------------------------------|------------------|
| Detection Indication                          | Alarm Buzzer / Vibration / Ear Phone |                  |
| Detectable Size                               | 5*5*1mm                              |                  |
| Signal Frequency                              | 82kHz                                | 13kHz            |
| Object Detectable                             | Aluminum, copper, iron & rare metals |                  |
| Sensitivity Adjustment                        | √                                    | √                |
| Earphone Jack                                 | √                                    | √                |
| GENERAL CHARACTERISTICS & PACKING INFORMATION |                                      |                  |
| Power   | 9V battery                           | 9V battery       |
| Product Net Weight                            | 412g                                 | 312g             |
| Product Size                                  | 77 x 50 x 570cm                      | 80 x 43 x 425cm  |
| Packing                                       | Gift box                             | Gift box         |
| Standard Quantity / Carton                    | 20                                   | 40               |
| Standard Carton Size                          | 59.5 x 36 x 27.5cm                   | 49.5 x 45 x 37cm |
| Standard Carton Gross Weight                  | 12.31kg                              | 18.24kg          |
