

“POOLSPA” PSL Series

2 Inches Stainless Steel Ladders

Complete Set For Chlorine & Salt Water Pools

Vertical General Purpose ladder for all types of pool.

Each ladder comes standard with two frames and injection molded ABS-UV inhibited steps bolted between them. All frames are made of corrosion resistant T304 stainless steel. All ladder styles with frames resting against the pool wall have rubber bumpers to prevent damage to the wall.

FEATURES

- Heavy Duty Ladder - Made only in thicker grades of stainless steel to with stand heavier usage.
- Heavy Duty with Cross Brace - Recommended for heavy duty commercial use at pools. Reinforced with cross brace for extra strength and rigidity.
- Deluxe - For right commercial or residential pools.
